Give JOY this Christmas

This Christmas, we invite you to be part of something truly powerful and joyful. We want you to be part of Allowah as we do something special.

We are meeting a real need and filling a gap in services and financial support for a vital part of our community. More importantly, we're showing families of children and young adults with complex disabilities that they are seen, loved, and valued. **Every smile, every moment, and every milestone at Allowah is possible through the support of people like you.**

Allowah is a place where children and young adults with complex needs thrive with specialised nursing care and support. Your partnership this year has been incredible and brought us close to our \$1.2 million goal. As we approach the year's end, we ask for your help in raising the remaining \$450,000.

Would you consider making a gift this Christmas, so these remarkable kids and young adults know they are not alone? Your support provides vital clinical care, respite, school holiday programs, and, for some, a forever home—services many families couldn't access alone. Each donation ensures these young lives never fall through the cracks and the kids don't miss out on opportunities, fun, and friends.

Thank you for making joy possible.

*Merry Christmas
from all of us at
Allowah!*

"I don't think we'd be where we are today, without this place. The level of care that Sophie receives here at Allowah is next-level. It's saved our lives, honestly."

- Rebecca,
Sophie's mum
